

RIBCHESTER ST WILFRID'S WEEKLY NEWSLETTER

Friday 11th September 2026

Dear Parents and Carers,

What a busy and exciting week we have had at Ribchester St Wilfrid's!

Many of our children have been taking part in Bikeability sessions, developing their confidence and skills on their bikes while learning how to stay safe on the roads. It has been wonderful to see their enthusiasm and determination throughout the week. Meanwhile, our Ribble class have made a fantastic start to their swimming lessons and have thoroughly enjoyed their time in the pool.

The building work around school continues to progress well, and I am delighted to report that we have enjoyed a full week with both our internet and telephone systems working perfectly. Thank you for your patience and understanding while these improvements have been taking place.

Today marks the start of my maternity leave, and before I leave, I wanted to take a moment to say a heartfelt thank you to all of our families. Your kindness, good wishes, support and understanding throughout my pregnancy have meant so much to me. I feel incredibly fortunate to be part of such a caring and supportive school community.

I am very excited to begin this next chapter and cannot wait to introduce our baby girl to you all in the future. I know that the school will continue to thrive under the leadership of Mrs Taylor and the dedicated staff team while I am away.

Thank you once again for all your support. I wish all of our children and families a wonderful start to the autumn term, and I look forward to seeing you all again when I return.

With best wishes,

Miss Katie Isherwood
Headteacher

📁 Important Reminder: Data Collection Forms

To help us keep all of our children safe, we are asking all parents and carers to carefully check the data collection form being sent home and return it by Monday.

Please update the form with any changes to:

- Home address
- Telephone numbers
- Email addresses
- Emergency contacts
- Medical information
- Collection arrangements or any other important information

Having accurate and up-to-date information enables us to contact you quickly in an emergency, ensure we are aware of any medical needs, and make sure the correct adults are authorised to collect your child from school. Keeping these details current is an important part of safeguarding and helps us provide the best possible care for every child.

Even if you think we already have the correct information, please take a moment to review the form and let us know if anything has changed.

Thank you for your support in helping us keep our children safe and well. ❤️

Children's Mobile Phone Policy and Permission Agreement - WYRE ONLY

Children do not need a mobile phone in school.

Children should really only bring their mobile phones into school if they are walking to school alone or walking home alone and you wish them to have one in case of an emergency and this has been agreed by the Headteacher.

If your child fits the above criteria, please could you pop into the office to sign a form to indicate that due to safety reasons you wish your child to bring a phone into school for the school year 2026-2027.

Please note that your child will need to switch their phone off completely before entering the school grounds (i.e. at the gate) and will need to hand their phone into the basket in the school office at the beginning of the school day.

Pupils cannot be contacted during the school day on their mobile phone.

The phone will be kept locked away securely during the day and it is the child's responsibility to collect their phone from the basket after they have been dismissed from their class at 3.30pm.

If children bring a mobile phone to school without permission, we will confiscate the phone and ask a parent or carer to collect it at the end of the day. We will not return any confiscated items back to children directly. This is to discourage the use of phones on the school grounds.

If you have any questions, please do not hesitate to contact me.

OUR SCHOOL NOW HAS AN ANAPHYLAXIS KITT

We are pleased to let parents and carers know that our school now has an Anaphylaxis Kitt supplied by Kitt Medical on site.

WHAT IS IT?

The Anaphylaxis Kitt comes with **four adrenaline auto-injectors** and clear instructions for use in a medical emergency, alongside **anaphylaxis awareness training** for staff.

Adrenaline is the **first-line treatment** for severe allergic reactions (anaphylaxis) and can be life-saving when given promptly.

WHY DOES THE SCHOOL HAVE ONE?

- Severe allergic reactions can occur suddenly and unexpectedly.
- Not everyone who experiences anaphylaxis has a known allergy.

WHO CAN THE KITT BE USED FOR?

Any pupil, staff member or visitor on the school site experiencing a suspected anaphylactic reaction. Including individuals without a diagnosed allergy.

IMPORTANT INFORMATION FOR PARENTS & CARERS

If your child has a diagnosed allergy:

- Please continue to provide their prescribed adrenaline auto-injectors.
- Inform the school of any changes to medical needs.
- The school Anaphylaxis Kitt does not replace a child's own medication.

🔊 Important Update: School Allergy Emergency Medication

I am pleased to let you know that Ribchester St Wilfrid's CE Primary School now holds emergency Allergy Auto-Injectors (often known as EpiPens) in school, in line with Benedict's Law.

Benedict's Law was introduced to help schools respond quickly in the rare event of a severe allergic reaction (anaphylaxis). As a result, schools can now hold spare emergency allergy medication that can be used if a child has been prescribed an auto-injector but their own device is unavailable, expired, or a second dose is needed while waiting for emergency services to arrive.

This additional medication provides an extra layer of protection and reassurance for families of children with serious allergies. It does not replace a child's own prescribed medication, and parents should continue to ensure that their child's prescribed auto-injectors are in school and kept up to date.

As always, the safety and wellbeing of our children remain our highest priority. If you have any questions about allergy management in school, please do not hesitate to contact us.
